

## **James Crouse**

### **Executive Vice President of Sales & Marketing**

Mr. Crouse joined Capstone Turbine Corporation on February 5, 2007. He leads Capstone's Sales, Marketing and Product Development efforts globally. Since joining Capstone, Mr. Crouse has helped the company bring several new clean energy and renewable microturbine products to market.

Mr. Crouse is the Chairman of the Board for the World Alliance for Decentralized Energy (WADE). WADE's membership includes more than 200 corporate leaders in the decentralized-energy industry, and national cogeneration and decentralized energy associations worldwide.

In December 2010, U.S. Secretary of Commerce Gary Locke named Mr. Crouse to a national advisory committee that will promote U.S. exports of renewable energy and energy efficient technologies. Mr. Crouse is one of 29 members on this Renewable Energy and Energy Efficiency Advisory Committee that will advise Locke on the development and implementation of programs and policies to help expand the competitiveness of the U.S. renewable energy and energy efficiency industries. In March 2011, Mr. Crouse testified in Washington, D.C., before the Subcommittee on Commerce, Manufacturing and Trade about Capstone's success as a global exporter.

Prior to joining Capstone, Mr. Crouse spent more than 20 years developing cogeneration and renewable energy projects throughout the United States.
